PALLETISED STORAGE

Speedstore's unique underground storage facility

We offers so many benefits at huge cost savings compared to more conventional warehouses.

- Constant 12.5C temperature and low humidity of only 50%.
- No vermin, mould or insect life. No UV light.
- Totally dry no more leaky roofs!
- Ultra secure due to a depth of 600 feet.
- Almost unlimited space with no need for racking.
- Very low insurance costs.
- Centrally located in the UK in the cheapest pallet zone.
- Integrated storage and shipping - from single pallets to full loads at the best prices.

If you need to store just 10 pallets for 3 months or 10,000 pallets for 5 years we can provide you with the perfect solution at far lower costs than you would imagine.

Long and mid term storage

Due to the nature of our site, short term storage is not for us. Handling charges are slightly higher than a conventional warehouse but this is more than offset by all the advantages we offer.
